JUDICIAL RACES

You may have noticed this Voter Guide does not include judicial races. This is because there is limited information on judicial candidates. Judicial candidates, especially incumbents, are often reluctant to express personal, political or policy opinions on matters that may come before them as judges. Historically, judicial candidates rarely respond to a Voter Guide questionnaire. We encourage you to research the candidates or contact them directly.

Encouraging you to vote:

Noah Webster, founding father

"If a republican government fails to secure public prosperity and happiness, it must be because the citizens neglect the divine commands, and elect bad men to make and administer the laws."

John Piper, pastor, Minneapolis

"Because God Almighty, whom we serve above all men, made human governments His way of running the world, "Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God" (Romans 13:1). In a democratic republic like ours that means at least: VOTE."

Chuck Colson, founder, Prison Fellowship

"God has entrusted us as free citizens to be His agents. That's why we have such a sacred responsibility to vote: not to is disobedience to God. ... Choose men and women of integrity whose ideas come closest to conforming to a biblical worldview. Be wise and discerning, voting not for selfish interest, but for God's good purposes."

Other* Candidate Comments

Candidate	District	Quest.	Answer	Candidate Comment
Tim Miller	17A	1	Yes*	Banned period. 20 weeks is a start.
Tim Miller	17A	3	Yes*	Until they close.
Tim Utz	41B	1	Yes*	Abortion should be banned from conception.
Tim Utz	41B	5	Other*	Yes, I support free market education but currently the Minnesota Constitution prohibits funding education institutions which teach religion. Article 13, Sec. 2
Greg Boe	47B	1	Other*	I believe that all life is sacred.
Greg Boe	47B	3	Other*	If abortions are not allowed, this question is moot.
Jim Kiner	51A	4	Other*	All students should have our love, care, and support in a safe school environment free from bullying and indoctrination of any sort.
Jim Kiner	51A	6	Other*	Places of public accommodation should be free from discrimination, including discrimination based on sexual orientation. Expressive religious and artistic liberties should be protected.
Andy Turonie	53A	4	Other*	You cited no specific policy examples here so I don't really know how to answer this.
Patrick Griffin	64A	1	Other*	Except for extreme circumstances as defined by law, i.e. danger to mother.
Patrick Griffin	64A	4	Other*	I need more definition of "Transgender Ideology." I do believe children should be protected from such ideas until sufficiently developed to understand the underlying concepts.

Why vote?

'Only behave as citizens worthy of the gospel of Christ ...' —Philippians 1:27

This verse is more commonly translated "Only let your manner of life be worthy ..." and so we often miss the depths of what Paul means. Roman citizenship was a treasured and foundational part of one's "manner of life" in Philippi. Earthly citizenship for the believer, however, is transformed by the gospel so that we also see "our citizenship is in heaven" (Philippians 3:20). In other words, we are to become so heavenly minded by the gospel that we are of tremendous earthly good, especially with our earthly citizenship! While we're not asking you to do all that Paul did with his Roman citizenship in Philippi (see Acts 16:11-40), we ask you to consider what God might do if we were willing to be like Paul or the Philippians—not only on election day but all year long, from rural Minnesota all the way to St. Paul.
